

Encouraging a Lifetime of Physical Activity.

We have a love of physical activity.

It improves a person's physical, mental and cognitive health, and it helps us develop a foundation for discipline and the positive behaviors that enable us to live long, healthy lives.

Our passion for physical activity drives us to provide innovative products that inspire healthy lifestyles, unlocking the love of physical activity in every youth.

We apply our knowledge of health and fitness to create:

- Accessible solutions
- Fun and engaging experiences
- Healthy relationships

Our offerings combine products and evidence-based curriculum that work together to enable you to instill an appreciation of physical activity in all your students.

SportimeMax Playground Balls, Set of 6

This is the industry's first 6-color set of playground balls! This ball features a leak-proof, tough rubber 2-ply shell and a 70% butyl bladder for superior airtight inflation. The crosshatch surface pattern of the ball provide children with an ideal texture they can comfortably grip. The FlexMatrixGrip is formed by thousands of hexagonal cells that freely flex under the pressure of grasping. The set includes 6 Playground Balls with one in each color: Red, Yellow, Blue, Green, Purple and Orange.

Sportime PE Starter Pack, Grades 3 to 6

Engage your students with a variety of hand-selected physical education equipment and research-based activities aligned to national PE standards. The 3 to 6 PE Starter Pack will keep your students active while learning fundamental fitness and sport skills. The pack also provides 3-year access to the SPARK 3 to 6 PE digital curriculum, including 20 instructional units with over 500 activities presented in scope and sequence via daily lesson plans, assessments, instructional videos, dances, music, and more.

SportimeMax 29-1/2 in Men's Basketballs, Set of 6

The feel, look and life of these Max balls surpasses that of any rubber basketballs ever sold. Every SportimeMax ball is backed by an unconditional 3-year guarantee. Set includes 6 Basketballs with one in each color: Red, Yellow, Blue, Green, Purple and Orange. Great for stations and available in multiple sizes.

SportimeMax SofTip Youth/Intermediate Size 7 Football Trainer

The SportimeMax SofTip Football Trainer features cellular rubber, the softest body construction, and has shock-absorbing tips. This football eliminates the fear of catching and it's among the top rubber elite footballs. Three sizes available for small hands to throw successfully.

SPARK PE Curriculum

The SPARK PE Program is the most researched and field-tested physical education curriculum in the world. Curriculum sets include hundreds of standards-based lesson plans, skill cards, assessments, videos, music and more. Sets are available in print and digital formats for grades K-12, Early Childhood, After School, and Classroom Activity & Recess.
