Is your school looking to upgrade its athletic fields?

The excitement at the start of the school year is greater when students and staff see brand new athletic fields, tracks and courts, lighting and scoreboards!

Fisher Tracks installed a new track at the Minnewaska School district using the Cooperative Purchasing Connection vendor contract. The district saved time and money and Superintendent Greg Schmidt said the crew did a fabulous job! [Click here](#) to see how the track looks after being painted and striped. Please like and share the photo!

Take a few minutes to learn how your school or community can benefit from selected vendors in our Athletics category! And make sure you always ask for your Cooperative Purchasing Connection (CPC) and/or Association of Educational Purchasing Agencies (AEPA) discount.

Tracks and Courts

www.fishertracks.com

Fisher Tracks installs premium track surfaces at a discounted price for CPC members. The price varies by project. [Sam Fisher is available](#) to discuss your dream track.

Hellas plans, installs and maintains running tracks and tennis courts. It completed a track at the Byron Dorgan Youth Wellness Center in North Dakota. Is your project next? [Contact Tommy McDougal](#) to begin the discussion.

Lighting

Techline Sports Lighting partners directly with you for your outdoor field lighting! Sports lighting is their only business and they want to work with our members! Champlin Park is installing new lighting now! We will share a photo when it's completed. [Contact Steve Jones to get started on your project.](#)

UBU Sports installed the field turf at the brand new Vikings stadium! Imagine turf, used by the pros, at a discounted price for your school or community field using the CPC contract. Learn more by [contacting Ralph Buerger](#).

FieldTurf was chosen by the University of Minnesota! This CPC partnered vendor did the installation at TCF Bank Stadium! You will receive preferential pricing by [contacting Eric Fisher](#).

DAKTRONICS

Daktronics is recognized worldwide as the leading designer and manufacturer of scoreboards, video displays, electronic message centers, outdoor stadium sound systems, and rigging for arenas and theatres. It specializes in total system integration for schools and city park and recreation facilities. [Contact David Gress for more information.](#)

Geneva Capital LLC

If you are looking to finance an athletic field or other projects, CPC is proud to announce our new vendor Geneva Capital is available to help with financing! Call Carl Langner at 320-759-3588 to learn more about your options or apply on line at the newly created [CPC webpage](#).
